IEG PI NOTICE

No. 62-75

TITLE/SIGNIFICANCE:

Modified CSS-N-1 (STYX) Missile Shipping Containers, China

COMMENT: Six modified CSS-N-1 (STYX) missile shipping containers were observed in the Missile Production Area of Nan-Chang Airframe Plant 320. The modification consisted of a protrusion of undetermined shape extending out [] on the end of the container opposite the normal tapered protrusion. These containers may be observed at Naval Cruise Missile Facilities or Cruise Missile Storage Areas.
